NATIONAL SERVICE SCHEME (NSS)

INTRODUCTION

National Service Scheme (NSS) is a Nobel experiment in academic expansion. It inculcates the spirit of voluntary work among the students and the teachers through sustained community interactions. It brings our academic institutions closer to society. It shows how to combine knowledge and action to achieve results, which are desirable for community development. NSS is a permanent student youth programme of Govt. of India and the expenditure is shared by the Central & state Government in the ratio 7:5.

HISTORY AND GROWTH OF NSS:

In India, the idea of involving students in the task of national service dates back to the times of Mahatma Gandhi, the father of the nation. The central theme which he tried to impress upon his student audience time and again, was that they should always keep before them, their social responsibility. The first duty of the students should be, not to treat their period of study as one of the opportunities for indulgence in intellectual luxury, but for preparing themselves for final dedication in the service of those who provided the sinews of the nation with the national goods & services so essential to society. Advising them to form a living contact with the community in whose midst their institution is located, he suggested that instead of undertaking academic research about economic and social disability, the students should do “something positive so that the life of the villagers might be raised to a higher material and moral level”.

The post-independence era was marked by an urge for introducing social service for students, both as a measure of educational reform and as a means to improve the quality of educated manpower. The University Grants Commission headed by Dr. Radhakrishnan recommended introduction of national service in the academic institutions on a voluntary basis

with a view to developing healthy contacts between the students and teachers on the one hand and establishing a constructive linkage between the campus and the community on the other hand.

The idea was again considered by the Central Advisory Board of Education (CABE) at its meeting held in January, 1950. After examining the various aspects of the matter and in the light of experience of other countries in this field, the Board recommended that students should devote some time to manual work on a voluntary basis and that the teachers should also associate with them in such work. In the draft First Five year Plan adopted by the Government of India in 1952, the need for social and labour service for students for one year was further stressed. Consequent upon this, labour and social service camps, camp [us work projects, village apprenticeship scheme etc. , were put into operation by various educational institutions. In 1958, the then Prime Minister Pandit Jawaharlal Nehru in his letter to the Chief Ministers, mooted the idea of having social service as a prerequisite for graduation. He further directed the Ministry of Education to formulate a suitable scheme for introduction of national service into the academic institutions.

In 1959, a draft outline of the scheme was placed before the Education Minister's Conference. The Conference was unanimous about the urgent need for trying out a workable scheme for national service. In view of the fact that education as it was imparted in schools and colleges, left something to be desired and it was necessary to supplement it with programmes which would arouse interest the social and economic reconstruction of the country. It was viewed that if the objectives of the scheme were to be realized, it was essential to integrate social service with the educational process as early as possible. The Conference suggested the appointment of a committee to work out details of the proposed pilot project. In pursuance of

these recommendations, a National Service Committee was appointed under the Chairmanship of Dr. C.D. Deshmukh on August 28, 1959 to make concrete suggestions in this direction.

The committee recommended that national service for a period of nine months to a year may be made compulsory for all students completing high school education and intending to enroll themselves in a college or a university. The scheme was to include some military training, social service, manual labour and general education. The recommendations of the Committee could not be accepted because of its financial implications and difficulties in implementation.

In 1960, at the instance of the Government of India, Prof. K.G. Saiyidain studied national service by students implemented in several countries of the world and submitted his report under the title “National Service for the Youth” to the Government with a number of recommendations as to what could be done in India to develop a feasible scheme of social service by students. It was also recommended that social service camps should be open to students as well as non-students within the prescribed age group for better inter-relationship.

The Education Commission headed by Dr. D.S. Kothari (1964-66) recommended that students at all stages of education should be associated with some form of social service. This was taken into account by the State Education Minister during their conference in April 1967 and they recommended that at the university stage, students could be permitted to join the National Cadet Corps (NCC) which was already in existence on a voluntary basis and an alternative to this could be offered to them in the form of a new programme called the National Service Scheme (NSS). Promising sportsmen, however, should be exempted from both and allowed to join another scheme called the National Sports Organisation (NSO), in view of the need to give priority to the development of sports and athletics.

The Vice Chancellors' Conference in September, 1969 welcomed this recommendation and suggested that a special committee of Vice Chancellors could be set up to examine this question in detail. In the statement of national policy on education of the Government of India, it was laid down that work experience and national service should be an integral part of education. In May, 1969, a conference of the students' representatives of the universities and institutions of higher learning convened by the Ministry of Education and the University Grants Commission also unanimously declared that national service could be a powerful instrument for national integration. It could be used to introduce urban students to rural life. Projects of permanent value could also be undertaken as a symbol of the contribution of the student community to the progress and upliftment of the nation.

The details were soon worked out and the Planning Commission sanctioned an outlay of Rs. 5 crores for National Service Scheme (NSS) during the Fourth Five Year Plan. It was stipulated that the NSS programme should be started as a pilot project in select institutions and universities.

On September 24, 1969, the then Union Education Minister Dr. V.K.R.V. Rao, launched the NSS programme in 37 universities covering all States and simultaneously requested the Chief Ministers of States for their cooperation and help. It was appropriate that the programme was started during the Gandhi Centenary Year as it was Gandhiji who inspired the Indian youth to participate in the movement for Indian independence and the social uplift of the downtrodden masses of our nation.

AIMS/OBJECTIVES

The overall objective of NSS is “**Personality development of the Students through community service**”

BROAD OBJECTIVES:

The broad objectives of NSS are to:

- Understand the community in which they work
- Understand themselves in relation to their community;
- Identify the needs and problems of the community and involve them in problem solving process;
- Develop among themselves a sense of social and civic responsibility;
- Utilize their knowledge in finding practical solution to individual and community problems;
- Develop competence required for group living and sharing of responsibilities;
- Gain skills in mobilizing community participation;
- Acquire leadership qualities and democratic attitude;
- Develop capacity to meet emergencies and natural disasters and
- Practice national integration and social harmony.

ABOUT

Basic Concepts of NSS

The overall aim of National Service Scheme as envisaged earlier, is to give an extension dimension to the higher education system and orient the student youth to community service while they are studying in educational institution. The reason for the formulation of this

objective is the general realization that the college and +2 level students have a tendency to get alienated from the village/slum masses which constitute the majority of the population of the country. The educated youth who are expected to take the reins of administration in future are found to be unaware of the problems of the village/slum community and in certain cases are indifferent towards their needs and problems. Therefore it is necessary to arouse the social conscience of the students, and to provide them an opportunity to work with the people in the villages and slums. It is felt that their interaction with the common villagers and slum dwellers will expose them to the realities of life and bring about a change in their social perception.

THE MOTTO OF NSS

The motto or watchword of the National Service Scheme is: **‘NOT ME BUT YOU’**. This reflects the essence of democratic living and upholds the need for selfless service and appreciation of the other person’s point of view and also to show consideration for fellow human beings. It underlines that the welfare of an individual is ultimately dependent on the welfare of society on the whole. Therefore, it should be the aim of the NSS to demonstrate this motto in its day-to-day programme.

NSS SYMBOL

The symbol of the National Service Scheme, as appearing on the cover page of this Manual is based on the ‘Rath’ wheel of the Konark Sun Temple situated in Orissa. These giant

wheels of the Sun Temple portray the cycle of creation, preservation and release, and signify the movement in life across time and space. The design of the symbol, a simplified form of the Sun-chariot wheel primarily depicts movement. The wheel signifies the progressive cycle of life. It stands for continuity as well as change and implies the continuous striving of NSS for social transformation and upliftment.

NSS BADGE

The NSS symbol is embossed on the NSS badge. The NSS volunteers wear it while undertaking any programme of community service. The Konark wheel in the symbol has eight bars which represent the 24 hours of the day. Hence, the badge reminds the wearer to be in readiness for service of the nation round the clock i.e. for 24 hours. The red colour in the badge indicates that the NSS volunteers are full of blood i.e. lively, active, energetic and full of high spirit. The navy blue colour indicates the cosmos of which the NSS is a tiny part, ready to contribute its share for the welfare of the mankind.

NSS SONG

During Silver Jubilee Year the NSS theme song has been composed. All NSS volunteers are expected to learn the theme song and sing the song during NSS programmes and celebrations.

We Shall Overcome, We shall overcome

We shall overcome someday.

O!, deep in my heart,

I do believe that,

We shall overcome someday.

We are not afraid, We are not afraid,

We are not afraid today.

O!, deep in my heart,

I do believe that,

We shall overcome someday.

We are not alone, We are not alone

We are not alone today

O!, deep in my heart,

I do believe that,

We shall overcome someday.

The truth will make us free, The truth will make us free,

The truth will make us free someday.

Oh, deep in my heart, I do believe,

We shall overcome someday.

We'll walk hand in hand, we'll walk hand in hand,

We'll walk hand in hand someday.

Oh, deep in my heart, I do believe,

We shall overcome someday.

NSS DAY

NSS was formally launched on 24th September, 1969, the birth centenary year of the Father of the Nation. Therefore, 24 September is celebrated every year as NSS Day with appropriate programmes and activities.

CLASSIFICATION OF NSS PROGRAMME

NSS activities have been classified in to two major groups:-

1. Regular NSS Activities:

Students undertakes various activities in the Adopted villages, college/ School campus and urban slums during week end or after college hours.

2. Special Camping Programme:

Camps of 7 days duration are organized in adopted villages/urban slums during vacations with some specific project by involving local community. 50% enrollment of NSS volunteers is expected to participate in these camps.

PLANNING AT INSTITUTION LEVEL:

PO is responsible for implementation of NSS programme in the college. PO plans the activity in such a way that the inter-action of different sections of the community are favourable, encouraging and satisfactory. Each unit consists of 100 NSS volunteers and functions under a member of teaching faculty who is known as Programme Officer.

NSS PROGRAMME OFFICER

National Service Scheme (NSS) Unit Report

The National Service Scheme (NSS) unit of our college has been actively involved in promoting social responsibility, community development, and student participation in various welfare activities during the academic year 2024–2025. The volunteers enthusiastically took part in several programs aimed at building awareness on health, environment, national integration, and digital literacy. These initiatives were carried out in collaboration with government departments, local organizations, and nearby communities, thereby strengthening the spirit of service among students.

Objectives

- To develop the personality and leadership qualities of students through community service.
- To create social awareness and a sense of responsibility among youth.
- To engage students in activities that promote health, cleanliness, and environmental sustainability.
- To motivate volunteers to work for the upliftment of rural and underprivileged sections of society.
- To instill values of national integration, unity, and discipline among students.

Yoga Day celebrations 21.06.2024

The NSS unit observed International Yoga Day in the college premises. A yoga instructor demonstrated various asanas and explained their physical and mental benefits. Students and staff participated enthusiastically, realizing the importance of yoga for holistic well-being.

Am ..

I am directed to invite attention to the Government order cited (Copy enclosed) and to state that the Government had issued order to observe "Equality Day (சமத்துவ நாள்)" in all Government Offices on 14th of April every year to commemorate the birth anniversary of Dr. B.R. Ambedkar.

2. I am, therefore, to request you to administer a pledge taking ceremony on "Equality Day (சமத்துவ நாள்)" to the staff in your office at 11.00 AM on 11 April 2025 as 14th April 2025 is a Government Holiday on account of Tamil New Year Day. The text of the "Equality Day (சமத்துவ நாள்)" Pledge is enclosed herewith.

3. I am also to request you to issue necessary instructions to the Heads of Department under your control to make arrangements to administer the "Equality Day (சமத்துவ நாள்)" Pledge" to the staff in their offices at 11.00 AM on 11.04.2025.

Yours faithfully,

for Secretary to Government

சமத்துவ நாள்

உறுதி மொழி

சாதி வேறுபாடுகளுக்கு எதிராகவும்,

சாதிகளின் பெயரால் நடக்கும் சமூக அடக்கு முறைகளுக்கு
எதிராகவும், தொடர்ந்து போராடி,

ஒதுக்கப்பட்டவர்களுடைய உரிமைகளுக்காகவும்,

ஒடுக்கப்பட்டவர்களுடைய சமத்துவத்திற்காகவும்,

வாழ்நாள் எல்லாம் குரல் கொடுத்து,

எளிய மக்களின் உரிமைகளைப் பற்றி விழிப்புணர்வை ஊட்டிய,

நம் அரசியலமைப்புச் சட்டத்தை வகுத்துத் தந்த அண்ணல்
அம்பேத்கர் அவர்களுடைய பிறந்த நாளில்,

சாதி வேறுபாடுகள் ஏதுமில்லாத சமத்துவ சமுதாயத்தை அமைக்க
நாம் அனைவரும் பாடுபடுவோம் என்றும்,

சக மனிதர்களைச் சாதியின் பெயரால் ஒருபோதும் அடைபாளம்
காணமாட்டேன் என்றும்,

சக மனிதர்களிடம் சமத்துவத்தை வாழ்நாள் முழுவதும்
கடைப்பிடிப்பேன் என்றும் உளமார உறுதி ஏற்கிறேன்.
